The Real Estate Select Policy has been designed to specifically meet the needs of Commercial Property Owners. The policy is underwritten by Allianz Insurance plc.

The policy has a 12 month period of insurance (unless shown differently on your policy schedule), and is annually renewable. Start and end dates of the policy are detailed in the policy schedule.

The policy wording offers covers specifically required by Property Owners. Property Damage and Commercial Legal Expenses are compulsory sections of cover.

### Loss of Rent

Your business will be interrupted and your Rent Receivable reduced if your buildings or contents are damaged or destroyed by Fire or any of the covers given under Property Damage. You will still have to pay expenses such as wages and extra costs to reduce the interference to your business. This policy insures your financial loss.

### Basis of cover

There are two options of cover:

#### Option 1 – Commercial All Risks

#### Option 2 – Specified Events

both as described under Property Damage.

## Engineering – Machinery Damage

Provides cover for a wide range of plant or machinery. The main cover options are:

- Sudden and Unforeseen Damage (including Breakdown, Explosion and Collapse)
- Own Surrounding Property – cover for damage to property belonging to you or in your custody or control caused by damage to Pressure Plant plus additional reinstatement costs that are incurred in order to comply with local authority regulations.

## Property Owners Liability

Provides cover in respect of all sums which you become legally liable to pay as compensation to third parties for accidental injury or damage.

## Directors and Officers Liability

Directors and Officers Liability insurance provides financial protection and therefore peace of mind for directors in terms of their personal liability when managing their company in their capacity as a director.

Under the 1985 and 1989 Companies Acts directors and officers are exposed to over 200 areas of statutory liability. This means that they can face unlimited personal liability for their actions and decisions on behalf of the company. Other legislation (e.g. Companies Act 2006) has further increased such liabilities.

Where a director or officer is alleged to have committed a wrongful act (any actual or alleged breach of duty, trust, neglect, error or omission) in performance of their duties they are exposed to potential liability.

A directors personal assets may be at risk if they are sued – claims can be brought by anyone with an interest in the affairs of the company: regulators, statutory authorities, shareholders, other directors, employees and in the case of insolvency, creditors, liquidators and administrators.

Designed to meet the needs of medium to large sized UK businesses Allianz Insurance plc is one of the few leading insurers who offer Directors & Officers cover as part of a combined insurance policy.

## Employers Liability

Insures your legal liability to pay compensation to employees if they are injured (this means bodily injury, death, disease, illness or shock) whilst working for you. Cover includes your costs and those of your employee.

The policy applies in the United Kingdom and anywhere in the world for employees who live in the United Kingdom and are working temporarily abroad. They must bring any claim in the United Kingdom or any member country of the European Union.

The standard limit of indemnity is £10m, but higher limits may be available on request.
